

The Best Restaurant in Town: Cañete

Cañete, the famous restaurant and bar on Carrer de la Unió in Barcelona, Spain on March 4th, 2024.

Chefs and servers preparing food in kitchen at Cañete, where they are motivated to create an enjoyable experience with great food making locals and tourists want to come back for more. March 4th, 2024.

A couple shares a bottle of wine at the bar where they both share one of the great experiences of Cañete, watching the chefs prepare and cook their food. All the fish and seafood they serve comes fresh from Catalan fish markets and the vegetables are in season and grown locally. March 4, 2024.

Cañete creates an relaxing, yet invigorating ambiance for patrons with fun-colored furniture and mood-lighting throughout the restaurant. March 4th, 2024.

At Cañete, servers and staff are committed to creating relationships with their clients and making the restaurant a safe space for all. March 4th, 2024.

Cañete serves a variety of food and drinks, with a high-quality selection of wines that are displayed throughout the entrance of the restaurant. March 4th, 2024.

Cañete is not like any typical work environment, but a place where their employees create and experience a welcoming and fun atmosphere. In the middle, Juncal, one of Cañete's waitresses, shares that "The workers are mostly men, but the women take over so that's cool." She also describes the environment saying, "It's so fun, the service isn't like, 'What do you want,' we all have fun." March 4, 2024.

Juncal runs back and forth between tables and the bar but stated, “There are maybe one or two moments of stress but nothing that a smile and fun can’t fix.” March 4, 2024.

The bar is one of the best spots in Cañete and allows for customers to feel like they are a part of the food and drink experience. Sitting at the bar are returning customers, Lenny and Scott who make sure to come Canete everytime they are in Barcelona. March 4, 2024

Once a customer walks away from Cañete they never forget their experience. Lenny's sister came to Canete a couple years ago for a "hen party" and said, "Two years later all the girls are still talking about it and how much they love it." March 4, 2024.
